

Confirmation for studies, advanced training or continued education

STADTVERWALTUNG TRIER

Pursuant to Section 2 Clause 3 of the statutes on charging city tax for overnight stays in the City of Trier, expenses for overnight stays are exempt from tax if the accommodation is required for work purposes. This also includes accommodation expenses as part of work-related courses, advanced training and continued education or mandatory course-related events.

This certification serves as proof, and may be presented to the accommodation establishment.
